JOSE B. GOMES
WEB DEVELOPER

Flat 9, Tillotson Court
Wandsworth Road
SW8 2NH
London, UK

Italian / Brazillian

I am a young professional living, working and studying in London since mid 2004, What I like the most is to develop applications that are usable, look beautiful and really add value to my clients business.

+ Career

Apr 10 - Date
Developer | Application Specialist
CFS Europe

As a developer for CFS-Europe, I have been in charge of maintaning, supporting, optimizing and developing SSRS reports and Web Surveys along with a complex SQL server stack of databases. As an application specialist, I advise on how new projects can fit into the current system as well as test third party applications keeping comunication with and deploying applications developed by external teams.

Dec 09 - Date
Freelancer Web Developer
Freelance | Part-Time

As a Freelance Web Developer, I had the chance to engage into many different projects, either on my own or as a part of a small team of developers. The main projects include start up companies and e-commerce applications.

Aug 07 - Apr 10
Junior Developer | Technician
CFS Europe

As a Junior developer for CFS-Europe, I had the chance to work as part of a small team of developers, developing small parts of the core products of the company, as well as having the chance to participate in smaller internal projects, often creating complete applications on my own.

Feb 05 - Jul 07
Various

Other jobs have included I.T. technical support, waitressing and family business.

+ Education
